

# Adding Your Listings to HAR.com

To automate the process of adding your listings to [HAR.com](https://www.harc.com), we have partnered with ListHub, a free service that assists with listing syndication on the Web.

Following these directions will enable your property listing information to be displayed on [HAR.com](https://www.harc.com) at no charge. [HAR.com](https://www.harc.com) is viewed by over 3 million unique users each month to search for homes throughout Texas and is the number four real estate web site in Texas.

## New to ListHub:

1. Go to [www.ListHub.com](https://www.ListHub.com)
2. Click "Create an Account"  
(You must be the designated broker in order to create an account)
3. Fill in requested information and click "Complete Registration"

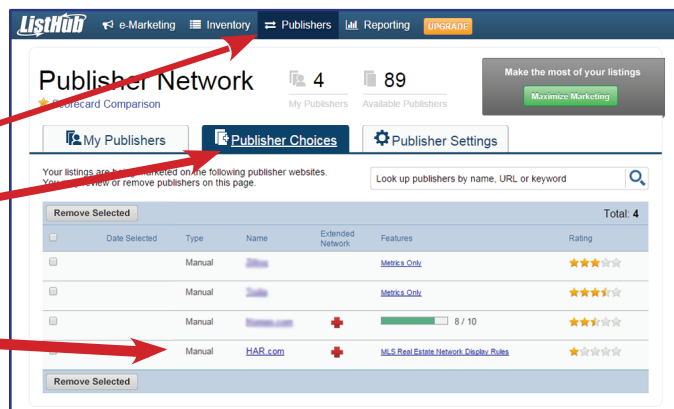

Your account is created and pending approval. Go ahead and select HAR.com to display listings by following the set of directions below, but listings will not flow just yet.

*\*\* Approval may take up to a week, since ListHub verifies every account with the MLS \*\**

Be sure to [CHECK YOUR EMAIL](#) for confirmation your account is active and/or additional instructions.

## Have a ListHub Account:

1. Go to [www.ListHub.com](https://www.ListHub.com) and click "Login"
2. From the blue "Publishers" tab, select "Publisher Choices"
3. Select [HAR.com](https://www.harc.com) and click "Add Selection"

**You're done!**

**It's a set it and forget it system. Your listings will begin flowing to [HAR.com](https://www.harc.com) on a daily basis within 24-48 hours. [HAR.com](https://www.harc.com) uses ListHub to keep all your listings fresh, and synchronized with your MLS.**
