

MLS SERVICE PACKAGES

HAR strives to make real estate professionals successful by providing quality data, leading technology and professional training. The products included in both MLS Standard and MLS Platinum are great values for any real estate professional looking to get started or grow their business.

MLS Standard

All MLS subscribers receive MLS Standard which includes access to Matrix, use of HAR.com mobile apps and your choice of transaction and forms management systems with free eSignature.

All these services are included for a cost **less than** the national average for comparable MLS services.

* Access to TAR Forms, requires REALTOR® Membership

MLS Platinum

Subscribers looking to take advantage of HAR's lead generation, agent promotion and listing promotion services may subscribe to the additional MLS Platinum package at a cost of \$129/year.

To purchase services comparable to these from third parties would cost more than \$2,000 per year, making this package a great value.

Price Comparison	HAR	National Average
MLS Standard (required)	\$35 month	\$38 month
MLS Platinum (optional upgrade)	\$129 year	over \$2,000 year
